1. Overview

This Right to Information (RTI) Manual is pursuant to the provisions of the recently passed Act, (Act 989) by Parliament and assented to by the President, Nana Addo Dankwa Akuffo-Addo. The Act gives substance to the constitutional right to information provided under Article 21 (1) (f) of the Constitution, enabling citizens access to official information held by government institutions, and the qualifications and conditions under which the access may be obtained. In accordance with Section 80, the Act applies to information that came into existence before, or which will come into existence after the commencement of the Act.

1.1 Purpose of Manual – To inform/assist the public on the organizational structure, responsibilities, and activities of the Forestry Commission (FC) and provide the types of information and classes of information available at FC, including the location and contact details of its information officers and units.

2. Divisions and Departments/ Unit under Forestry Commission (FC)

This section describes the Forestry Commission’s vision and mission and lists the names of all Divisions, Departments/Units under the institution, including the description of organizational structure, responsibilities, details of activities and classes, and types of information accessible at a fee.

2.1 VISION OF FORESTRY COMMISSION

“Leave future generations and their communities with richer, better, more valuable forest and wildlife endowments than we inherited”.

2.2 MISSION OF FORESTRY COMMISSION

Sustainably develop and manage Ghana’s forest and wildlife resources.

Divisions and Departments/ Units under Forestry Commission (FC)

Forestry Commission has three (3) main Divisions (Wildlife Division, Forestry Services Division and Timber Industry Development Division) Departments/Units, two (2) Centers and a London office.

1. Wildlife Division
2. Forestry Services Division
3. Timber Industry Division
4. Human Resource Department
5. Finance and Administration Department
6. Internal Audit Department
7. Legal Department
8. Corporate Planning, Monitoring, and Evaluation Department
9. Climate Change Department

10. Timber Valuation Department
11. Information Communication Technology Department
12. Compliance Unit
13. Donor Relations Unit
14. Timber Right Administration Unit
15. Rapid Response Unit
16. Resources Management Support Centre
17. Forestry Commission Training Center
18. Corporate Affairs and Media Relations Unit
19. London Office

Responsibilities of Forestry Commission:

The objectives of the Forestry Commission are:

1. Coordinating, implementing as well as enforcing policies, laws, and regulations on development, management and regulation of the utilization of forest and wildlife resources.

2.4 Forestry Commission’s Organogram

2.5 Classes and Types of information

List of various classes of information in the custody of the institution:
Not Applicable
Types of Information Accessible at a fee:
Not Applicable.

1. Processing and Decision on Application – S. 23

2. Amendment of Personal Record

A person given access to the information contained in records of a public institution may apply for an amendment of the information if the information represents the personal records of that person and in the person's opinion, the information is incorrect, misleading, incomplete, or out of date.

4.1 How to apply for an Amendment

- a. The application should be in writing indicating;
 - Name and proof of identity.
 - Particulars that will enable the records of the public institution to identify the applicant
 - The incorrect, misleading, incomplete, or out-of-date information in the record.
 - Signature of the applicant
- b. For incomplete information claimed or out of date records, the application should be accompanied with the relevant information which the applicant considers necessary to complete the records.
- c. The address to which notice shall be sent should be indicated.
- d. The application can then be submitted at the office of the public institution

3. Fees and Charges for Access to Information

The Act mandates Parliament in Section 75 to approve a fee that public institutions can charge. However, fees shall apply to only the three circumstances stated below:

- Request for information in a language other than the language in which the information is held. (s.75) (3).
- When a request is made for a written transcript of the information, a reasonable transcription cost may be requested by the Information Officer. (s.75) (4).
- Cost of media conversion or reformatting. (s.75) (5).

Under Section 75 (2), fees are not payable for:

- reproduction of personal information
- information in the public interest
- information that should be provided within stipulated time under the Act
- an applicant who is poor or has a disability
- time spent by the information officer in reviewing the information
- time spent by the information officer to examine and ensure the information is not exempt
- preparing the information

Section 76 subjects the retention of charges received by a public institution to the Constitution. Thus, a public institution is authorized to retain charges received under the Act to be used only to defray expenses incurred by the public institution in the performance of functions under the Act and be paid into a bank account opened for the purpose with the approval of the Controller and Accountant-General.
